EXERCISE CLASS DESCRIPTIONS

BACK TO BASICS

Introducing a mid-morning class perfect for late risers and school drop off schedules. Energize your body and get back to basics with this throwback step, strength & stretch workout. Build stamina, strength, and flexibility! This class is suitable for seniors and beginners as well as seasoned gym members.

BODY BALANCE

Strengthen your core and improve your balance with this class which focuses on floor work, balance, stretching and relaxation.

CARDIO CORE BLAST

30 minutes of ab-blasting moves to target your core and keep that heart rate up!

CONDITIONING

This class is designed to burn calories and fat with a mix of weights, bodyweight exercises, cardio, TRX, and HIIT training for all levels.

HI NRG VIBES

Rev up your Monday mornings with this HIIT workout choreographed to high energy music. This fast-paced strength workout is perfect for conditioning and full body toning.

LOW IMPACT CIRCUIT

Get your heart rate up in this low-impact class that combines weight training and cardio. All classes are similar, but we mix it up enough so that you continue to see progress, keep you motivated and interested.

MUSCLE PUMP

This class is designed for all body types and conditioning levels. Muscle Pump uses functional movement and resistance to engage all muscle groups and provide a total body workout. Keep your heart rate mid to high, with rest breaks to ensure adequate recovery.

NEW STEP CITY

Strength & Cardio A-Go-Go! NRG Express! Smooth transitions of cardio using the Step, with intervals or circuits of strength and flexibility! Move & groove you all, party over here!

PILATES

Our Pilates class is a full-body workout with a focus on core and body balance while creating space between your joints and improving flexibility. Life-changing techniques taught are intended to be applied to other exercise classes and activities to promote health and wellness! The class is designed for both beginners for the more advanced!

PIYO

Our PIYO class is a mix of pilates and yoga, which focuses on deep abdominal core strength, balance, and building muscle flexibility. This total-body workout is adaptable to all ages and fitness levels.

SENIOR FIT & FLEX

This class focuses on functional fitness and is designed to help active agers maintain strength, balance, and independence with the option to be seated and/or use the support of a chair. Designed for every fitness level. Focus on flexibility & mobility, balance exercises, resistance, body weight or light weight training to build lean muscle and increase bone density, and cardio training segment to maintain heart and lung function.

SL8 CIRCUS

This fun circus-themed circuit class focuses on feats of strength, balance, agility, and TRX suspension training, Appropriate for all ages and fitness levels but prepare to be challenged!

SPIN

Join us for a fun, high energy, heart pumping cycle class with dynamic movements that will push your limits. This class focuses on aerobic endurance conditioning and aerobic interval training, with brief, high intensity bursts that push past your anaerobic threshold. All levels welcome!

STRENGTH EXPRESS

This 30-minute class will energize your Friday and kick off your weekend with cardio and strength training intervals!

STRETCH & ROLL

The 30-minute Myofascial Release (MFR) Class can heal the body in a myriad of ways from breaking up scar tissue, improving digestion, easing stress in the body, connecting mind/muscle movement, and increasing an overall sense of wellness and energy thru fascia hydration.

TGIF

Tone. Glutes. Intervals. Fun. Energize your Friday and get your workout in to kick off your weekend!

TOTAL BODY TUNE-UP

Learn proper lifting form while tuning up and toning up your body. This class focuses on basic weightlifting moves combined with cardio, core, and flexibility work to help build muscle, burn fat, rev up your metabolism and build endurance and confidence in the gym.

TRIPLE C (CARDIO/CORE/COOLDOWN)

Triple C combines bodyweight cardio moves, core training, and stretching to rev you up and cool you down.

ULTIMATE CONDITIONING

This is an advanced level total body strength training class designed to keep your heart rate high through timed circuits and supersets. Modifications are available to accommodate injuries, however, if you don't have prior lifting experience, we recommend **Total Body Tune-Up** to learn the basics first.

WEEKEND WARRIOR BOOT CAMP

A great workout to get your heartrate up and build strength and flexibility. A mix of cardio, sculpting and strength interval training set to fun music will energize you for the weekend.

YOGA

Wind down your workday with an evening flow yoga class designed to engage your body and mind, increase flexibility and strength, and leave you feeling relaxed and calm.

ZUMBA

Zumba combines high energy and motivating Latin and International music with easy-to-follow body sculpting dance moves and combinations. Work every muscle with this killer strength training class coupled with great music.
